I do not have any official documents, items, ID card or any other club owned material to submit. In case if I find any official materials, I ensure, I will submit back to club

I have resigned from West Bengal Radio Club (WBRC) on 31/05/2023, due to some personal decisions. My best wishes to all my friends at WBRC. I hope they continue with the good work towards the contribution to society by uniting the lost ones with their families. I will also continue to work on self development and contribute to the field of Amateur Radio. For me Amateur Radio is not just a hobby, it is my lifeline.
